I clearly understand that all insurance coverage, whether accident, work related, or general coverage is an arrangement between my insurance carrier and myself. If this office chooses to bill any services to my insurance carrier that they are performing these services are strictly as a convenience to me. The office will provide any necessary reports or required information to aid in insurance reimbursement of services, but I understand that insurance carriers may deny my claims and that I am ultimately responsible for any unpaid balances. Any monies received will be credited to my account.

AUTHORIZATION OF CARE

This clinic will attempt to identify and diagnose any ailments you may have that may be corrected through physical medicine, massage therapy, chiropractic care, and/or active/passive rehabilitation. If any condition or disease appears to be present out of our scope of practice, we will refer you to an appropriate physician to diagnose and/or treat that condition. The clinical procedures performed are usually beneficial and seldom cause any problem. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible for injury. The doctor, of course, will not provide specific healthcare if he/she is aware that such care may be contraindicated. It is the responsibility of the patient to make it known these things which otherwise might not come to the attention of the physician (deformities, illnesses, etc). I agree to settle any claim or dispute I may have against or with any of these persons or entities, whether related to the prescribed care or not, by binding arbitration under the current malpractice terms which can be obtained by written request.

I also clearly understand that if I do not follow the Doctors and/or physician's specific recommendations at this clinic that I will not receive the full benefit from these programs, and that if I terminate my care prematurely that all fees incurred will be due and payable at that time. I authorize the assignment of all insurance benefits be directed to the Doctor and/or physician for all services rendered. I understand in the event my account goes to collections, I am responsible for any and all collections fees.

I understand that I am financially responsible for all fees incurred for the services provided, regardless of any applicable insurance or benefit payments, and I agree to ensure full payment. I hereby authorize the doctor to release all medical information necessary to process this claim. I hereby authorize any plan administrator or fiduciary, insurer and my attorney to release to such doctor and clinic any and all plan documents, insurance policy and/or settlement information upon written request from such doctor and clinic in order to claim such medical benefits, reimbursement or any applicable remedies. I authorize the use of this signature on all my insurance and/or employee health benefits claim submissions.
